

# GMC Transfer-wheel Machines

The Prince

The Dimplemark

The Linesman

## GMC Transfer-wheel Machines

**Sports Coatings GMC Transfer-wheel Machines** are designed to accurately mark sports pitches and require little maintenance.

These types of machine have been the traditional choice for line marking of many groundsmen and other professionals involved in the maintenance of sports pitches and other grassed areas.

**Sports Coatings** offer three models of transfer-wheel machines. These are:

Model	Capacity (l)	Wheel Width (mm)
The Linesman	9 or 14	50 or 75
The Prince	16	50, 75 or 100
The Dimplemark	20	75 or 100

The machines share these important features:

### Special Properties

-  Robust construction for durability
-  Simple to use
-  Easy to clean and maintain

To assist in cleaning we recommend **Sports Coatings Powerflush**.

### Uses

Use **GMC Transfer-wheel Machines** for the application of **Sports Coatings GMC Platinum, Gold and Dimplemark** grass marking concentrates.
